

# Alex Leybourne

I'm Currently studying to become a developer in Coder Academy's coding bootcamp and completely loving it. People describe me as a reliable and friendly team player who quickly learns and masters new concepts and skills. I have a strong background in all things technology, from coding, video production, graphic design and the Microsoft office suite. I am passionate about helping others and creating a satisfying experience for all and have developed strong customer service skills in my past disciplines. I enjoy a challenge and will always rise to the occasion.
